CLASS B ASBESTOS REMOVAL LICENCE No. 686305

SafeWork SA has considered your application for a Class B Asbestos Removal Licence. We advise your application has been successful and that Licence No. 686305 has been granted under Mutual Recognition.

This approval authorises you to remove friable and non-friable asbestos in accordance with Regulation 487 of the Work Health and Safety Regulations 2012 (SA) (the Regulations) and is subject to conditions imposed by the regulator under Regulation 502. All asbestos removal licence holders in South Australia are subject to conditions.

Your licence is subject to the following additional conditions:

NIL

Nominated Supervisor

Brant Murrihy

Notification Requirements:

Regulation 466(1) of the Regulations states: A licensed asbestos removalist must give written notice to the regulator at least five (5) days before the removalist commences licensed asbestos removal work. Notification is not required if you are removing less than 10m².

Please provide your notification to SafeWork SA via the SafeWork SA Notification Portal. To use the Notification Portal, you must be registered with SafeWork SA. If you do not have user login details, please contact us on 1300 365 255.

After the completion of each notified removal, a clearance certificate (provided by a party independent of the removal) and prescribed waste transfer certificate, must be provided by uploading the document/s via the Notification Portal.

If you conduct licensed asbestos removal work at any workplace of the Commonwealth, a Commonwealth public authority or a non-Commonwealth licensee (i.e. Telstra, NBN Co.)

OFFICIAL

notification must be provided to Comcare. For further information please call 1300 366 979 or (02) 6276 0333.

SafeWork SA inspections:

In South Australia all applicants for asbestos removal licences are subject to the asbestos project audit. Please contact A/Chief Advisor, Stuart Robb on 8303 0409 or email to stuart.robbs2@sa.gov.au for further information.

Licence renewal:

I take this opportunity to remind you that as the licence holder it is your responsibility to ensure this licence is renewed prior to its expiry date of 12/09/2026. It is recommended that you submit your renewal application at least six (6) weeks prior to this date to allow for processing.

For general enquiries, please contact us on 1300 365 255.

Yours sincerely
